KAREN TORIBIO

UNITED AUTOMOBILE INSURANCE COMPANY
PO Box 694300
Miami, FL33269

Provider: UNIVERSAL INJURY GROUP N MIAMI, LLC
Patient: BRAYAM RUIZ CARVAJAL
Claim No.: 0100437083
Policy No.: UAH000473732
Date of Loss: 11/17/2025
Date(s) of Service: 11/18/2025 - 01/23/2026

Dear KAREN TORIBIO,

The instant letter shall serve as notice that Shirazi & D'Escoubet Law Group, L.L.C., represents the above named **Provider** in connection with the **Patient's** claim for Personal Injury Protection (PIP) Benefits. Please be advised that demand is hereby made for the payment of medical treatment and any transportation services provided to the above-named patient for above referenced date(s) of service. The total amount billed by the Provider was \$14,411.50 however, the amount owed at 200% Medicare Fee Schedule Part B at 80% surpasses the limit set by Florida Statute §627.736 which specifically allows for \$10,000 of PIP Benefits. Therefore, the total amount demanded is **\$8,990.65** (\$10,000 - \$1,009.35 prior payments) plus interest, penalty and postage. If you have any issue with these calculations, please notify the undersigned in writing as to the exact discrepancy within 30 days of receipt of this letter. If you do not notify the undersigned of same, any discrepancy will be deemed waived by you in a subsequent lawsuit.

If the amount you have reimbursed is less than the amount demanded above or 100% if there was Medical Payment's coverage, then please provide a copy of that (those) portion(s) of the insured's insurance policy, in effect on the date of loss, that authorizes you to limit or reduce the amount of reimbursement. We dispute all of the reductions and non payments without exception. If you believe that the amount billed is to be paid pursuant to any "fee schedule", please refer to the specific section and language in the insured's policy on which you rely upon. If there is a policy deductible or if the bills were paid at 100%, please provide the specific payment, proof or documentation you rely upon.

If you have any questions about the bills at issue, please compare the attached bill(s) or ledger to your explanation of benefits and please note we dispute each and every reduction and non payment. If you respond to this demand letter, then we will assume this demand letter is acceptable. If you do not request any additional documentation via separate written correspondence, we will assume you have all the documentation you need to process the claim and you have waived any request for additional documentation previously made and/or made in the future pursuant to Florida Statute §627.736(6)(b). We are relying on you to tell us if this demand letter, the bills or other documents that were previously submitted were defective in any way before suit is filed. We will assume all defects are waived if you do not inform us in response to this demand letter.

It is our contention these bills are reasonable, necessary and related to the car accident. Payment for these services is overdue as of the date of this letter. We have not received any information with regard to how bills were applied to the deductible or confirmation of the percentage in the policy. Enclosed please find the requisite itemized statement or copies of same in the form of a Health Care Finance Administration/CMS 1500 (HCFA) form previously submitted and specifying each exact amount, the date of treatment, service, accommodation or supplies and the type of benefit to the provider.

F.S. §626.9541(1)(i) **Unfair Claims Settlement Practices.**— provides the insured with the right to obtain any and all information used by the insurer in connection with the handling of his/her claim. Also, F.S. §627.4137; 627.4143; 627.7401, as well as your policy provisions, further support the claimant/insured/assignee's right to such information.

Thus, pursuant to Florida Statute, demand is also hereby made for reimbursement of the postage costs (if more than one demand is received per envelope, please pro-rate postage costs). Additionally, please reserve any benefits that have been denied or reduced as it is our intent to seek all that the medical provider is owed. If there are any defenses to making the full payment, please provide all information (i.e. Policy, Dec Page, Correspondence, EUO letters, IME letters return receipts, Copy of EUO) upon which you are relying to reduce, deny, or delay coverage. Please respond in detail as to the nature of any "ongoing investigations". Furthermore, provide any and all documents that support your reduction or denial of this claim including any Independent Medical Exam report(s), Peer Review report(s), Examinations Under Oath transcripts, Accident reports, notices of cancellation, etc... Additionally, provide the PIP Payment Log pursuant to Florida Statute §627.736(4)(j) within 30 days of this demand.

If you are claiming that there has been a fraud and/or material misrepresentation (MM), please indicate the exact basis for the MM, whether the insured was made aware of the relevant provisions in the policy which could lead to the cancellation of his policy based on MM, whether the premium was returned to the insured, the date the premium was returned, the amount returned, and if a Notice of Cancellation pursuant to F.S. §627.7281 and/or §627.7283 was sent to the insured. If the premium has not been returned, be advised that under the assignment of benefits taken by the provider, attached herein, the Provider now has the right to the refund of the premium. Accordingly, please send this office any refunds pursuant to a MM. Also, please attach a copy of all policy inception documents, including but not limited to, application for insurance, any business use disclaimers, and any and all other related documents. Please send this information **unredacted**, to the undersigned within five (5) business days of the receipt of this letter.

Section 627.736 (10) Florida Statute requires that if payment of the overdue amount is made within THIRTY (30) days of the receipt of this letter, said payment must include the applicable interest and a ten

percent (10%) penalty of the overdue amount paid, subject to a maximum penalty of TWO HUNDRED FIFTY and NO/100 (\$250.00).

PLEASE BE ADVISED THAT SHIRAZI & D'ESCOUBET LAW GROUP, L.L.C. DOES NOT ACCEPT FAXED RESPONSES TO DEMAND LETTERS, HOWEVER THEY MAY BE EMAILED TO DEMANDS@SHIRAZIDESCOUBET.COM.

Failure to pay the above amounts within 30 days will result in the immediate institution of a civil suit for damages, attorney's fees and costs.

Make check for PIP Benefits payable to: **UNIVERSAL INJURY GROUP N MIAMI, LLC**, and your check for Interest, Penalty and Postage to **Shirazi & D'Escoubet Law Group, L.L.C.**, Tax ID 93-4949486.

ASSIGNMENT OF INSURANCE BENEFITS, RELEASE, & DEMAND
(Insurer and Patient Please Read the Following in its Entirety Carefully!)

I, the undersigned patient/insured knowingly, voluntarily and intentionally assign the rights and benefits of my automobile Insurance, also known as Personal Injury Protection (hereinafter PIP), Uninsured Motorist and Medical Payments policy of insurance to the above health care provider. I understand it is the intention of the provider to accept this assignment of benefits in lieu of demanding payment at the time services are rendered. I understand this document will allow the provider to file suit against an insurer for payment of the insurance benefits or an explanation of benefits and to seek

\$627,428 damages from the insurer. If the provider's bills are applied to a deductible, I agree this will serve as a benefit to me. This assignment of benefits includes transportation, medications, supplies, overdue interest and any potential claim for common law or statutory bad faith/unfair claims handling. If the insurer disputes the validity of this assignment of benefits then the insurer is instructed to notify the provider in writing within five days of receipt of this document. Failure to inform the provider shall result in a waiver by the insurer to contest the validity of this document. Failure to inform the provider shall result in a waiver by the insurer to contest the validity of this document. The undersigned directs the insurer to pay the health care provider the maximum amount directly without any reductions & without including the patient's name on the check. To the extent the PIP insurer contends there is a material misrepresentation on the application for insurance resulting in the policy of insurance is declared voided, rescinded, or canceled, I as he named insured under said policy of insurance, hereby assign the right to receive the premiums paid for my PIP insurance to this provider and to file suit for recovery of the premiums. The insurer is directed to issue such a refund check payable to this provider only. Should the medical bills not exceed the premium refunded, then the provider is directed to mail the patient/named insured a check which represents the difference between the medical bills and the premiums paid.

Disputes: The insurer is directed by the provider and the undersigned to not issue any checks or drafts in partial settlement of a claim that contain or are accompanied by language releasing the insurer or its insured/patient from liability unless there has been a prior written settlement agreed to by the health provider (specifically the office manager) and the insurer as to the amount payable under the insurance policy. The insured and provider hereby contests and objects to any reductions or partial payments. Any partial or reduced payment, regardless of the accompanying language, issued by the insurer and deposited by the provider shall be done so under protest, at the risk of the insurer, and the deposit shall not be deemed a waiver, accord, satisfaction, discharge, settlement or agreement by the provider to accept a reduced amount as payment in full. The insurer is hereby placed on notice that this provider reserves the right to seek the full amount of the bills submitted. If the PIP insurer states it can pay claims at 200% of Medicare then the insurer is instructed & directed to provide this provider with a copy of the policy of insurance within 10 days. Any effort by the insurer to pay a disputed debt as full satisfaction must be mailed to the address above, after speaking with the office manager and mailed to the attention of the Office Manager. See Fla. Stat. §673.3111.

EUOs and IMEs: If the insurer schedules a defense examination or examination under oath (hereinafter "EUO") the insurer is hereby INSTRUCTED to send a copy of said notification to this provider. The provider or the provider's attorney is expressly authorized to appear at any EUO or IME set by the insurer. The health care provider is not the agent of the insurer or the patient for any purpose. This assignment applies to both past and future medical expenses and is valid even if undated. A photocopy of this assignment is to be considered as valid as the original. I agree to pay any applicable deductible, co-payments, for services rendered after the policy of insurance exhausts and for any other services unrelated to the automobile accident. The health care provider is given the power of attorney to: endorse my name on any check for services rendered by the above provider; and to request and obtain a copy of any statements or examinations under oath given by patient.

Release of information: I hereby authorize this provider to: furnish an insurer, an insurer's intermediary, the patient's other medical providers, and the patient's attorney via mail, fax, or email, with any and all information that may be contained in the medical records; to obtain insurance coverage information (declaration sheet & policy of insurance) in writing and telepathically from the insurer; request from any insurer all explanation of benefits (EOBs) for all providers and non-redacted PIP payout sheets; obtain any written and verbal statements the patient or anyone else provided to the insurer; obtain copies of the entire claim file and all medical records, including but not limited to, documents, reports, scans, notes, bills, opinions, X-rays, IMEs, and MRIs, from any other medical provider or any insurer. The provider is permitted to produce my medical records to its attorney in connection with any pending lawsuits. The insurer is directed to keep the patient's medical records from this provider private and confidential. The insurer is not authorized to provide these medical records to anyone without the patient's and the provider's prior express written permission.

Demand: Demand is hereby made for the insurer to pay all bills within 30 days without reductions and to mail the latest non-redacted PIP payout sheet and the insurance coverage declaration sheet to the above provider within 15 days. The insurer is directed to pay the bills in the order they are received. However, if a bill from this provider and a claim from anyone else is received by the insurer on the same day the insurer is directed to not apply this provider's bill to the deductible. If a bill from this provider and claim from anyone else is received by the insurer on the same day then the insurer is directed to pay this provider first before the policy is exhausted. In the event the provider's medical bills are disputed or reduced by the insurer for any reason, or amount, the insurer is to: set aside the entire amount disputed or reduced; escrow the full amount at issue; and not pay the disputed amount to anyone or any entity, including myself, until the dispute is resolved by a Court. Do not exhaust the policy. The insurer is instructed to inform, in writing, the provider of any dispute.

Certification: I certify that: I have read and agree to the above; I have not been solicited or promised anything in exchange for receiving health care; I have not received any promises or guarantees from anyone as to the results that may be obtained by any treatment or service; I agree the provider's prices for medical services, treatment and supplies are reasonable and customary.

Caution: Please read before signing. If you do not completely understand this document please ask us to explain it to you. If you sign below we will assume you understand and agree to the above.
